INFO

Hello! I'm 22 y.o. iOS developer from Moscow, Russia. I am fond of programming, Apple and tough tasks. I love music, films, videogames and board games. Also, I have a nice parrot and a beautiful wife :)

EXPERIENCE

VTB (ВТБ) More.Tech Hackathon **Oct 2020**

1st place in Mobile track. Developed an application that allows user to determine a car model with camera (photo or realtime), search for it in a car marketplace and apply for a loan.

iOS Developer at Promsvyazbank **Mar 2020 — Present**

I am working on mobile bank application.

iOS Developer, Contract **Jun 2019 — Mar 2020**

Made dating application from scratch using Swift.

OTHER PROJECTS

Card Container

CardContainer is a simple Tinder-like card container with UITableView-like API.

Dark Mode Switcher

MacOS daemon switching dark mode basing on your preferences.
